

LETTER OF CONSENT TO BE IN THE INET ACTORS AND STAKEHOLDERS DATABASE

Background

European Forest Institute (EFI) is an international organisation established by European states, conducting research and providing policy support on forest-related issues, connecting knowledge to action.

EFI is coordinating INCREDIBLE, a project that seeks to establish Innovation Networks open to all those involved or interested in creating economic, social and environmental value through improved production, collection, processing, marketing of Mediterranean Non-Wood Forest Products (NWFPs). INCREDIBLE is funded under the EU Commission H2020 framework programme.

The main objective of INCREDIBLE is to facilitate regional and trans-regional cooperation, knowledge exchange and Innovation in five key NWFPs. It identifies, documents and delivers good practices, success cases and relevant knowledge to help address the most pressing needs and greatest opportunities along the different value chains. It offers training and inspiration for innovative business development, as well as Open Innovation Challenges. It will also produce policy recommendations for better regulation of NWFPs at regional, national and EU levels.

Information on the database

Each of one of the five INCREDIBLE Innovation Networks (iNet) is composed of stakeholders (individuals) that voluntarily join the network. Their contact information will be stored in a database under the responsibility of EFI, coordinator of the project. In order to fulfil the project objectives, the iNet coordinators, co-coordinators and local contact points will populate and consult this database, and process its information. Access to the database will be restricted to the personnel of the beneficiaries' team working directly on the action "Innovation Networks of Cork, Resins and Edibles in the Mediterranean basin – INCREDible" (H2020 Grant Agreement number 774632).
